Social, Scholarly and

The contributions of the students to Central Catholic are immeasurable. The student is the life, the pulse, the heart beat of the school. Our classmates who can be seen going to concerts, attending games, and cheering at pep sessions; who strive for top grades,

lead a satisfying spiritual life; attend the plays and dances, contribute more of their time and effort and selves than can be estimated. School spirit is the core of activity and the basis of loyalty. We therefore dedicate to you, the student body, the 1962 ECHO.

Spiritual - - Our Students

In Memoriam

James Moylon, who was a member of this year's graduating class, suffered a fatal fall while mountain climbing in Montana during the summer of 1961.

A member of Queen of Angels Parish, Jim was active in the Student Spiritual Council as a homeroom representative. He participated in the Latin Club and the Fighting 69th, and was a member of the varsity track team.

Although it is hard to lose a classmate, we must remember that God's will comes above all.

School

As business manager, Mr. Charles Pendergast serves as manager of our brand new bookstore, and is in charge of tuition payments. For these and many other unknown services, we congratulate Mr. Pendergast for a job well done.

Although this was only Fr. Hammand's second year as principal of Central Catholic, his leadership and administrative ability have enabled him to carry out his many and varied tasks with great efficiency. Because of his many years as teacher in a senior high school, he is able to understand the needs of our school, and the students and teachers in it. We take this opportunity to acknowledge the outstanding accomplishments of Fr. Hammand, and thank him for his help and guidance.

Father Hammand and Msgr. Lester are shown looking over report cards. The IBM marked cards, new this year at C.C., are a great help to the teachers, and a sign of the future.

His Excellency, Leo A. Pursley, D.D., L.L.D., Bishop of Fort Wayne-South Bend.

Administrators

Elaine Sutter is the possessor of the sunny smile that greets everyone who enters the first-floor office. Her efficiency and cheery disposition have made her well beloved by both faculty and students of Central Catholic.

Sister Maureen Therese came to us this year from Ladywood School, Indianapolis. However, she was no newcomer to Central Catholic, for she was a member of our faculty from 1940 to 1949. Sister feels the scholastic atmosphere here is high, and that there is a love of scholarship among the students. Thank you, Sister, and welcome back to C.C.!

Religion

Martha Smith concentrates on her prayers.

Steve Meier and Jim Piepenbrink seem to find Father Emanuel's religion class humorous.

Tom Palmer listens carefully to Father Zimmerman.

Father Zimmerman explains the Apostle's Creed to students.

Sister Mary Christine looks over assignments of her religion class.

Eager geography students S. Fetzer, H. Kennerk, M. Sommers, and D. Lee look on as Sister Regina Theresa points out some interesting bits of world news and conditions which pertain to their geography studies.

These Help

Mr. Daniel instills some of his wide spread knowledge into senior government student, Kathy Humphrey.

To Make Us Understand!

Sister Augustine narrates the causes of the fall of the Roman Empire to her freshman World History class.

J. Slater, M. A. Karb, J. Huguenard, M. Derheimer, and moderator Tom Gusching take part in a panel discussion on the causes of the Civil War in Sister Francis Elise's U. S. History class.

Here, Sister Augustine helps a student along as one of his fellow comrades paints to the area being discussed in a freshman World History class.

Mr. McClintack's freshman World History class uses the map to find some important places found in their lesson.

After finishing their experiment, Rita Ross-worm and Virginia Samreta clean up the chemistry lab.

Science

Sister Mary Magdala demonstrates the slide rule to her physics class.

Math

Sister Jean Margaret's biology class listens attentively as she explains the use of the microscope.

Larry Rafflesan and Dave Pettit experiment with the Bunsen burner in Sister Jean Margaret's chemistry class.

Sister Mary Timothy explains the fundamentals of graphing to her Advanced Algebra class.

D. Wilson explains the bisecting of an angle to Sister Conrad as students look on.

Lovers of

A second year Latin student is helped along the age-old road of this marvelous language to a better understanding of it by Sister Maureen Clare.

In this jet age, when international communication is so easy, language study is of vital importance. No longer can we Americans confidently place the oceans between us and our philosophical enemies. We must learn to understand and appreciate our foreign neighbors. What better way than through studying their language.

In Sister Constance's English II class Tany Martin is shown leading a discussion on a popular American novel.

Language

E. Butler, D. Benbow, J. Farrell listen to an interesting Spanish conversation in Sister Loretta Ann's second year Spanish class.

Senior Eileen O'Brien seems to be deeply engrossed in her French lesson in Sister Morie Angele's second year French class.

Sister Hortulana conducts a vocabulary drill in her fourth year English class of studious seniors.

Home Economics

Sister Immaculée supervises B. Waltzer and R. McCannehey sewing.

Sister M. Christyn dictates a letter to her shorthand class.

Typing students are engaged in transcription.

R. Oddou, A. Skevington, and M. Bowers are cooking up a tasty dinner.

ACTIV

ITIES

Organizations and Activities are the most important extras in an education. We are more than just an intellect, just as learning is more than words, facts, and textbooks. As part of a club we use what we learn in theory in the classroom.

This helps us to mature and to grow into Christ-like adults who by our faith, action, and example will carry the echo of Christ into every place throughout our lives.

Strike Up The Band!

The Central Catholic Golden Shamrock Marching Band, under the direction of Mr. Joseph M. Woods, is one of the outstanding products of our distinguished music department. Everyone at school is aware of the quality and variety of music presented by our band, but few realize the hours of tedious practice necessary for the finished product we hear and see.

Besides being accomplished musicians, members of the marching band must be able to go through the intricate routines and formations all of us enjoy so much during the half-time at the football and basketball games. Their musical background presented during these home-games, does much to spark enthusiasm for our team.

Numerous awards won by the marching band members have done much to increase C.C.'s prestige, as have the twirlers' skillful manipulation of their batons.

We take this opportunity to acknowledge the work of these dedicated students, and to thank them for the enjoyment and honor they bring to our school.

Symphony Orchestra

We at Central Catholic are honored to have a fine Symphony Orchestra. Under the direction of Mr. Joseph Woods, it plays at school concerts and other important functions. Those who belong to this accomplished group give daubly of their time for our listening enjoyment. However, they receive their compensation from the pleasure they give others, and the skill they acquire from the constant practice necessary to achieve the sweet strains all of us enjoy so much.

Concert Chorus

All students at C.C. have the opportunity to use their vocal talent, no matter how small it may be, through the three choirs of the Music Department. Both the Varsity Chorus, and the Concert Choir, have been entertaining at concerts for many years, and this year, the new All-Student Choir was formed. Campased of members of all four classes, it is improving with every performance, and will soon reach the heights of the other two.

The entire school was treated to the performance of these groups during the Christmas assembly. Their ability to sing such a variety of songs so well impressed all present, and gave C.C. students a fitting preparation for the great feast of Christmas.

Queen

Lovely Judi Lassus looking every inch a queen reigned supreme at the Senior Prom, "Till We Meet Agoin". This bolmy spring evening of music and dancing, marked the official end of the social season for our 1962 grads.

Valentine Queen

Captivating Katie Kohlbacher reigned over the annual valentine dance "Harmony of Hearts". With her golden hair and dimpled smile Katie made a fitting queen for this gala affair.

Valentine Court

Hearts and flowers accurately describes the setting of the valentine dance. The four charming members of the court with their regal bearing provided a glamorous accent to the colorful affair.

ATHL

ETICS

Sports are a necessary part of a sound education which will complete our personalities and build character that is Christ-like in every way. When we participate in any phase of the sports program, we are called upon to practice virtues which we would learn nowhere else. The self-discipline of sports requires moral as well as physical strength—a will to win — perseverance — a readiness to accept defeat with a smile. Through them we became spiritual and physical athletes who can "take it" as Christ could.

Hal Caar, a guard on our fighting Irish team, has played football for seven years. Listing English and social science as his favorite subjects, he plans to attend college after graduation. Hal enjoys various sports besides football, such as basketball, golf and tennis, and also likes to dance, eat, and disc-jockey.

Mike Offerle, senior center and line-backer, has been playing football for seven years. His favorite subjects being Math and history, he plans to attend college, probably Purdue University. Mike enjoys ice-skating, golf, and bowling, and is also an outstanding baseball player. In 1961, he was named "Most Valuable Player" by the Junior Federation of Baseball.

Dick Frantz, who played football for three years in both grade and high school, is the right tackle on our team. Dick lists cars as his hobby, and says he also enjoys playing basketball and baseball. He would like to go to college, but thinks he will go into the service after school. Noteworthy items about Dick include the fact that he made the second team for All City this year, and on November 4, at the annual Football Dance, was crowned "Football King."

Stalwart Seniors =

Playing everything except center and halfback, Bill Nancarrow has been an important member of our team. He has been playing football since grade school, and is usually found in an end or fullback position. He enjoys Government and English best, and has plans to attend college. Bill enjoys many other sports, and was a member of our track team at C.C.

Among the many sports left tackle Tam Newport likes, football is his favorite. He has played in high school for four years, and this was preceded by two years of grade school experience. Tam plans to enter the IBM Training School at International Harvester after graduation.

Seasonal Standouts!!

Tom Tyler is quarterback of our mighty football squad. He enjoys physical science, and plans to enter the Navy after graduation. Tom likes to hunt, swim, and participate in many other sports, and collects old coins as a hobby.

Although halfback Steve Meier was out seven weeks of the season with a shoulder separation and a leg hemorrhage, he still played some fine football. An extreme sports enthusiast, you will find him active in almost every sport, golf and diving included. His school activities are also numerous. He was secretary of his sophomore class, and is now serving as vice-president of the Sons of Mary. Listing math and English as his favorite subjects, he plans to put them to use while studying business in college.

Senior end, Mike Obringer, has been playing football since fifth grade, and has been a member of C.C.'s varsity for two years. Mike, whose hobby is "doodling different designs," plans to attend college and study architecture. A member of St. John the Baptist Parish, New Haven, he is president of The Son's of Mary, and treasurer of the senior class.

Senior Guard, Bob Wehrle, is a veteran of seven years football. Naming English and typing as favorite subjects, he plans to attend college next year. Bob, who enjoys hunting, fishing, basketball, and weight-lifting, has been a member of the track and wrestling teams here at C.C. He was chosen a member of the first team, All City, for his football prowess, and was elected vice-president of the Letterman's Club.

Ron Schroyer, who plays defense, has been a member of our football team during the last four years. His favorite activities include weight-lifting, hunting, fishing, and ice-skating. Ron, who also is a member of the track and wrestling teams, was elected sergeant-at-arms of the Letterman's Club. A member of St. Patricks Parish, he plans to attend college after graduation.

In the few years since Walt Bartdiewicz came to Central Catholic, many good things have happened, 2 city series titles and many a fine season. We have seen him groom boys into men and coach players into a team. Despite the so-so season of 1961, our coach and team can feel proud of the spirit and enthusiasm with which they tackled a terrific schedule of formidable opponents.

Several weeks before school started, our grid-iron greats ended their vacation to begin getting in condition for the coming season. Their hard work and the brilliant coaching of Walter Bartkiewicz, provided our school with a fine football season, and a team of which our school was justly proud. Although we were not able to retain our City Championship title for a second year, our team looked good as it kept improving after a couple of mediocre starts.

Their sharp blocking, hard running, and accurate passing provided us with numerous thrills. There is a saying that variety is the spice of life, and our team gave us a variety of thrills in all of their hard fought contests. They were well supported by our student body, who sat through both rain and snow to cheer the team to victory.

Next year the team will miss the service of several seniors, who ended their careers by defeating South Side, thereby giving the city series title to Bishop Luers.

Although we did not win every game, it is well to remember the adage: "When that One Great Scorer comes to write against your name, He'll write not that you won or lost, but how you played the game."

Bill Krouse uses his skill and flexibility to outsmart North Side's linemen.

When the Going

Football King Dick Frantz throws a typical key block at scrimmage enabling Bill Krouse to gain valuable yardage.

Gets Tough

Typical of his performances this year, Tam Hueber outmaneuvers a South Side player in close pursuit.

The Tough Get Going

Dick Zehner rushes to the aid of his teammates in order to stop South Side on our own ten yard line on a fourth down play.

Having played basketball for the last seven years, John Dullaghan has a wealth of experience which he puts to good use on the basketball floor. A Senior, he plans to attend Marian College next year to study Business Administration. Co-captain of the basketball squad, John enjoys baseball and skiing in addition to his favorite sport, basketball.

Dave Schenkel, tall center on our varsity, has been very active here at C.C. in athletics. Besides 4 years of basketball, he has participated in track for 2 years and football for 3 years. His hobbies are building model airplanes and go-carts, and he enjoys ice-skating and water-skiing outside of school. Dave, who plans to attend Notre Dame or the University of Dayton, will work for a civil engineers degree.

Irish Out-Play

Steve App, Senior center or forward, has been playing basketball since the fifth grade. Outside of school, he participates in baseball, tennis, water-skiing, golf, and ice-skating. Steve is undecided about college, however his favorite subjects are History and English.

Senior Pat O'Reilly plays either the forward or center position on our basketball team. Having participated in this sports for the last eight years, Pat is able to handle the ball quite well, and is an important member of the squad. He plans to continue his education at the University of Notre Dame next year, and is looking ahead to a career as a mechanical or electrical engineer.

Senior forward Maury Bubb has been playing basketball since the sixth grade, and was a member of the frosh and reserve squads before joining the varsity last year. Maury's favorite pastimes are sports, and he puts basketball, golf, tennis, baseball and swimming at the top of his list. Besides being elected vice-president of the Senior Class, he was chosen co-captain of the basketball team.

Out-Run Out-Score

Tom Walsh plays forward on our mighty varsity. Only a Junior, he has been participating in this sport for the last six years. Tom, who says football is his favorite game, has plans for college after next year.

Dwight Craft, a Junior, has distinguished himself as a guard on the Fighting Irish varsity. Listing baseball and basketball as his favorite sports, he plans a future of either teaching or coaching. He has been playing basketball for the last seven years, and is hoping to be able to use it in the future.

Carl Jacquay, a Junior member of the basketball squad, holds down the center position. He has been playing basketball since sixth grade and it is his favorite sport. A member of St. Louis Besancon Parish, Carl plans to attend college and major in Mechanics and English after graduation.

Although Steve Krull is only a Junior, his outstanding ability in the forward position had lead our team on to victory. Having played basketball since the fifth grade, he plans to continue with this sport and play professional ball. Steve is a member of St. Judes Parish, and enjoys baseball in addition to basketball.

Tony Zych is a Junior member of our varsity basketball team who plays the guard position. At C.C., Tony has also participated in cross country and freshman football. His plans for the future are indefinite, however he is considering college.

What a Season!!

What a Win!!

Never before have C.C.ers been prouder of their team. A season that held little promise became a resounding success. A group of boys with spirit, talent, and a will to win has led C.C. to its *First City Series Title*. For 30 years the public school system held a virtual monopoly on the championship, but not **THIS YEAR!** By twice defeating our neighbor across the street, C.C. put the title in its pocket and a real feather in Coach Cannan's cap.

Wrestling is one of the sports in which even small boys can make good. Vastly different from the grunt and groan fakers of television, this is a genuine and really exciting competitive sport, without much danger of injury. Wrestling, as everyone knows, is a struggling sport here at C.C. but so was track a few years ago. Next year we look forward to a better and more rounded team.

Weight lifting, the newest sport in recent years, is growing in popularity which can be seen through its support.

Girl's Athletics

Perhaps not as exciting as boys, girls basketball is none-the-less a spirited game, played hard by all participants.

At noon is it not at all unusual to see the gym floor crowded with girls playing various games from dodge ball to volleyball.

The girls athletic program while necessarily limited by facilities is an integral part of the education of all C.C.ers. From the first physical education class as Freshmen the girls are encouraged to participate in G.A.A. activities and intramural sports of various types. The dedicated director of all this is a lady known and admired by all who have trod these halls, Miss Julia Heighway.

SEN

IORS

The seniors are the standard bearers upon whom the hopes, and dreams of C. C. rest. It is to them that all look, the freshmen with awe, the sophomores with envy and the juniors with anxiety. And how do the seniors look at it all? After four years of labor, loment and longing the goal is attained and one wonders "Where did it all go, all the fun, the lougher, and the hord wark? Where have the years flown?"

Scintillating Seniors

Most Athletic

Mory Beth Miller and Moury Bubb, voted most athletic seniors by their classmates, have held fast to the motto that a sound body and sound mind combine into a good Christian, Catholic boy or girl. These two certainly prove their point.

Most Scholarly

Scholarliness in this age of missiles, rockets, and the cold war is an indispensable commodity. Joe Zuercher and Sabina Sobo, this year's most scholarly seniors, should certainly do C. C. proud in whatever they undertake: Let the record speak for itself.

Stand Out Surpassingly

Most Friendly

One can always depend on a hearty greeting and cheerful smile from these two friendly seniors, Martha Crosby and John Dullaghan. Chosen most friendly by their classmates, it is an honor richly deserved.

Most Gentlemanly

Most Ladylike

Most gentlemanly is a title that well describes Mike Obringer who has always made courtesy a byword. Kathy McCrady, quiet, gentle and polite is everything that the word lady implies.

Most Co-operative

Co-operation is necessary for success in any endeavor, and certainly no 1962 graduate deserves the title co-operative more than Pandy Faylor and Mark Schaefer, two most pleasant and able seniors.

Class of 1962

As time ebbs away, we, the class of '62, find that our days at C.C. are nearing completion. It is astounding that four years have passed since we entered as Freshmen. Many studied hard, learning and acquiring the knowledge necessary for life. High school entails more than studying. The fun we experienced at every game, cheering the team on, and our dances. Our Catholic education has given us courtesy, sportsmanship and responsibility; filling us with Catholic ideals and principles. In learning, let's not forget those who encouraged our education, our principal, Father Hammond, the priests, sisters, and lay faculty. To you we express our sincerest gratitude for all you have done for us.

CLAS

SES

The underclassmen of Central Catholic literally make the solid foundation around which school projects and activities are built. They take an interest and work enthusiastically not only for the advancement of their class but the entire school. Their labors are often quiet and sometimes unrewarding but never, never, ending. Truly the underclassmen form the backbone of our student body. It is through their prayers and participation that we profit.

Junior Class Officers

JUNIOR CLASS OFFICERS: Left to Right, Georgia Brown, Vice-President; Diane Duquette, Treasurer; Tom Hueber, President; Tom Wolsh, Secretary.

Class of 1963

The class of '63 has attained the reputation of ability in sports, scholarship, and activities. These characteristics pinpoint the Junior Class assets. The annual Junior Dance was a big success all around. Everyone pitched in and did his assigned chores, and the co-operative effort was sensational. The success of a class is dependent on its unity and this the class of '63 has. The number of Junior boys participating in athletics expresses their attitude toward extracurricular activities, helping to better school and selves. Many Junior girls are active in the Daughters of Mary and Veronica Guild, helping others help themselves. Underclassmen traditionally look up to those ahead of them, we hope that our actions make us worthy of that respect.

Class of 1964

As the class of '64 reaches the mid-point of its high school career at Central Catholic, its members can look back on their initial Freshman period, remembering the fun, frolic, and newly made friendships.

But with Sophomore year came an emphasis on studies. Yes, scholastically work was rougher and tougher, and honor students were definitely to be congratulated for excellent work.

Throughout the school busy Sophomores could be found; some helping in the cafeteria, others more artistically inclined, drawing posters for the Art Club. Still other talented tenth-graders were active in the band, the orchestra, and the chorus.

On the sports scene, the Sophomore girls honorably took second place in the volley-ball tournament after succumbing to the champion Juniors. Football and basketball victories were few and far between, but the fighting Irish spirit was never lost. Classmates backed the reserve squads all the way.

For a social whirl, the annual Sophomore Sock Hop was held to everyone's enjoyment.

After having taken a step up on the ladder of life, the '64ers look forward to Junior year, class rings, and the "big dance".

Sophomore High Honors

Freshmen Class Officers

FRESHMAN CLASS OFFICERS: Left to Right, Ron Stansky, President; Terry Donahue, Secretary; Cindy Pease, Vice-President; Virginia Miller, Treasurer.

Class of 1965

The record of this year's Freshman Class indicates that it may well become a worthy representative of Central Catholic in scholarship, athletics, and extra-curricular activities.

Scholastically, we placed sixteen students on the high honors list and forty-three on the general honors list. Numerically, these statistics may not appear to be on par with the honors awarded to the three upper classes, but when viewed in proper perspective they are more than comparable.

We have compiled an enviable record in athletics. We missed by a hair capturing the city frosh football championship. We led the school in the annual Christmas Card Drive and nearly repeated in the Seaway Mint Contest.

As the result of all these activities, the ex-eighth graders of early Fall have become a closely knit, well organized class.

now it's Pepsi-for those who think young
Notice today's active people. They have enthusiasm to spare. They put more fun into life—and get more out. This is the life for Pepsi—light, bracing, clean-tasting Pepsi. In stores, at fountains, think young. Say "Pepsi, please!"

Signs of the forthcoming season are in plain view. The brisk and sparkling freshness of summer days introduce the end of school—the end of robust life on the green campus of Irish territory—which is approaching very fast.

Our staffs' profoundest dream is constituted in an exquisit pictorial anthology. The days of long, hard work display the dedication prof-fered by staff members. The realiza-tion of this dream has been pre-sented to you in the past 265 pages—you guessed it—The Echo!

Have a Happy Summer
and

Good Bye, Farewell, Adieu!
That's the 1962 Echo Staff's wish
to you.
